INTERNSHIP COMPLETION CERTIFICATE

This is to certify that Kameshwaran B has successfully completed the Web Development course offered by Skill Vertex, which began on June 10, 2024, and concluded on July 10, 2024. The course covered fundamental concepts and applications of web development.

The curriculum encompassed a wide range of topics, including HTML, CSS, JavaScript, server-side scripting, database integration, and other related fields. Kameshwaran B demonstrated a deep understanding of these concepts and showcased the ability to apply them to real-world problems.

During the course, Kameshwaran B actively participated in all learning activities, including lectures, discussions, assignments, and projects. Their high level of engagement and critical thinking skills were consistently evident, resulting in outstanding performance throughout the course.

The comprehensive program ensured that participants not only grasped the theoretical aspects of web development but also gained hands-on experience through practical applications. Kameshwaran B excelled in both areas, successfully completing numerous coding exercises, contributing valuable insights during discussions, and delivering high-quality projects that reflected a solid command of web development techniques.

As such, Kameshwaran B has met all the requirements of the Web Development course and is hereby awarded this certificate of completion. This achievement is a testament to Kameshwaran B 's dedication, hard work, and proficiency in web development.

We wish Kameshwaran B all the best in future endeavors and hope that the knowledge gained from this course will enable them to excel in the field of web development. With the skills and confidence acquired, Kameshwaran B is well-prepared to tackle complex development challenges and contribute effectively to any professional setting.

Issued on 11th July 2024.
